1. Award Conditions

***Award Conditions to the Financial Assistance Award
Between the Denali Commission and Bristol Bay Native Association
For Bristol Bay Energy Summit
Award No. 01169
August 2009***

1. Scope of Work

The Denali Commission (Commission) is providing a total of \$5,000 to the Bristol Bay Native Association (BBNA) for the sponsorship of the Bristol Bay Energy Summit to be held October 8, 9, and 10, 2009 in Dillingham, Alaska.

BBNA is a Tribal Consortium, made up of 31 tribes and is organized as a non-profit corporation to provide a variety of education, social, economic and related services to the Native people of the Bristol Bay region of Alaska.

The BBNA Energy Summit will bring together governments, universities, organizations and residents to explore how best to tackle the high cost of energy; examine new energy infrastructure development; share ideas and experiences on alternative energy projects; look for energy solutions that strengthen economies and insure a work force ready to meet those needs. BBNA expects up to 200 participants at this event with an expected total cost of \$100,000.

The conference focus on energy provides the Commission with an opportunity to meet with Bristol Bay leaders and decision makers with nearly 200 village representatives, tribal, municipal and borough government representatives, state and federal representatives, Bristol Bay service organizations and the University of Alaska representatives along with other guests.

Denali Commission funds will be used for facility rental; event supplies, development of publications and printing and web based materials and travel for village attendees.

As a sponsor, the Denali Commission's name will be recognized throughout the conference and on conference related materials including: verbal recognition, in the conference program and advertisements, and listed in BBNA publications and receive a conference attendance roster after the meeting. The Denali Commission will also receive two free registrations to the conference and free booth space at the conference.

Commission funds for sponsorship can be used for: event space and equipment rentals for the actual event, event costs including video, audio and sound system rentals/services, travel of conference attendees (travel does not include food costs), event brochure printing or other event media needed for attendees. All activities that involve the work of consultants or contractors must be procured through fair and open procurement processes, in keeping with the Federal Circulars in order to be eligible Commission costs.

Commission funds cannot be used for food or beverage of any kind, gifts, per diem of attendees or wages/salaries. Any questions regarding acceptable uses of funds should be directed to the program manager.

All Commission funding is intended for use for the scope of work identified in the Award document only. Any balance of funds remaining after the full scope of work has been completed will be returned to the Denali Commission.
